

Come, Meet, JOIN & FIND YOUR PASSION FOR ART

You are important to the Arts Council. The Storytelling Arts Center of the Southeast was formed over 16 years ago as a 501c3. Our hope is that you will become a part of our vision for the community. We want to be a source of uniting local artists of all kinds and connecting with other local businesses to generate revenue for all. This collaboration will enhance the arts council, the artists, the communities and visitors to our county. Thank you for joining in the above efforts with your giving and volunteering.
